Earth Magic, revised edition Marion Weinstein

Marion Weinstein is known as one of the first witches to release a Book of Shadows to the public. Here is the revised and updated version of Earth Magic, the author's personal book of magical practice, made available for today's Witches. Based on an in-depth study of the many facets of Witchcraft, Earth Magic presents the religion as positive and life affirming. The book is filled with how-to's of a practical nature. It is intended to be a springboard, to unlock the reader's psychic Wiccan abilities and guide his or her into the creation of his or her own unique and personal work. Every technique is explained in detail, in keeping with Weinstein's proviso that one should never attempt to work any magic unless one understands it fully. The information from the original edition is still available, as well as a treasure trove of new material, some of which has never been seen before.
