People are dying, some running, some on their knees, what's going on? Cars on fire beasts as big as trees, as I have never seen anything like this. My heart is pounding the ground opens up, and fire is all I see people are being forced into this pit. I'm trying to hide, but I'm next to go in the hole. What if you died Tomorrow, what if the world, as you knew, was ending Have you ever wondered what happens when you die? Are you one of those people who say there is no God? Do you even care? Have you ever wondered why bad things happen to good people? Have you wondered why you struggle so hard and the crooks have it so easy? In the book olive branch, we have two couples who struggle with everyday life issues, such as pornography, cheating, and mental abuse. While trying to live the stories after the abuse, somehow the bible have come alive.
