**Welcome to the heart—and heat—of Australia...**

They say that no one has secrets in a small town—these women prove them wrong.

Eight brand-new stories from some of Australia's hottest writers in Australia's hottest genre. From the bar stools of the local pub to the wide open plains of the biggest stations in the world, these tales travel the dusty roads to the heart of Australia and the women who understand how to work hard—and play even harder.

In the latest in the wildly successful *Secret Confessions* series from Escape Publishing, the women of *Down & Dusty* invite you into their lives—and their bedrooms.

Kelly Wilkins' marriage has always been a team effort, but lately, under the daily grind of work, kids, and an unrelenting drought, she feels like her team has dwindled to one. The lack of rain in Milpinyani Springs isn't the only dry spell affecting her and, despite her best efforts, her once attentive husband hasn't touched her in weeks. With the threat of a long, dry summer stretching out in front of them, can Kelly and Grant rediscover their spark, or will their relationship be another casualty of the drought?
