## **Time's Exile: The Legend of the Stranger** Mr John Michael Barrington

Before he was Elaeus, he had been the Stranger. Time's Exile: The Legend of the Stranger is the story of Elaeus, before he became Elaeus and when he had been the Stranger, the Universe's greatest Vampire Hunter, told via the twenty-two Tarot cards of the Major Arcana. It begins with The Fool: he who is destined to become the Stranger finds himself the last of his race, the only survivor of the destruction of his world by The Power of the Dark God, the Dragon Lord. It ends with The World: now Elaeus, he who had been the Stranger has now become the protector and guardian of three very special teenagers. This is the story of the Stranger, Time's Exile, a story 50,000 years long. It tells us of his first arrival at Ahalla; his first meeting with One and the rest of Ahalla's robots; his first meeting with the Star Goddess; his clashes with the Vampire Queen, the Spider Lord and the Dragon Lord; his rescue of Lh'Ahli's D'Zolob; and his first meeting with Khalan, Jane and Khaius. This is the story of how the Stranger became the Stranger.
