#### Awakening Realities: Hypnotic Scripts Stanley Walsh

"Awakening Realities Hypnotic Scripts serve a threefold therapeutic function: firstly, an invitation to the unconscious mind to bring resolution; secondly, direction to the subconscious mind to release imprints and impressions; and thirdly, reinforcement of goals through direct suggestions.

This approach allows the client or the individual to create an attitude of agreement without unconscious blocks and resistance on which to build their new reality. In effect, this program creates an attitude of willingness to be willing, the foundation of all successful change."
