We all want to find the guy of our dreams and if you are single, have you wondered why? Your ideal partner is definitely out there somewhere but the million dollars question is how to meet him and if you have already met the one you think is right for you, how do you get that first date with him?

In this book, we are going to touch on quite a number of topics to bring you deeper into how the dating world works, the possible issues you face and how to solve certain problems. No matter how inexperienced or experienced you are, it is never easy since the rules changes all the time and what might work on a guy might work differently on another. In particular, you will discover:

- Tips during dating and how to get the date
- Seduction
- Art of Eye contact
- What issue you face and is common in a relationship
- Conversation starters
- And much more!

It isn't as difficult as you made out to be at times. Find out more and get the dates and guy you want.
