## **I've Been Around** Tania Aebi

In 1985, at age 18, Tania Aebi set out to sail around the world alone. She became instantly famous with *Maiden Voyage*, the best-selling book she wrote about the solo trip. In over twenty years of cruising by herself and with family, and leading ten-day flotillas to charter destinations in a professional capacity, she has gathered many anecdotes, observations, opinions, cautionary tales and advice. Indeed, she has been around.

She was hired as a columnist in 1997 by the fledging sailing magazine *Latitudes and Attitudes*. "Casual and friendly in its approach to the sailing world, the magazine's tone provided me with a place to explore my own reflections on what I already knew and continued to learn about the sailing way of life and how to share it all with others." In this, her first book since *Maiden Voyage*, there is something for the armchair sailor dreaming about sailing off one day, as well as for the sailor in the cockpit actively chasing those horizons.
