## Native Poetry in Canada: A Contemporary Anthology

*Native Poetry in Canada: A Contemporary Anthology* is the only collection of its kind. It brings together the poetry of many authors whose work has not previously been published in book form alongside that of critically-acclaimed poets, thus offering a record of Native cultural revival as it emerged through poetry from the 1960s to the present. The poets included here adapt English oratory and, above all, a sense of play. *Native Poetry in Canada* suggests both a history of struggle to be heard and the wealth of Native cultures in Canada today.
