Philosophy in Practice: An Introduction to the Main Questions Adam Morton

"Philosophy in Practice" is a completely new kind of introductory philosophy textbook, focusing on philosophy as an activity, rather than as a doctrine. Thoroughly revised edition of a popular introductory philosophy textbook. Contains new discussions of philosophy of religion, freedom, "The Matrix, " and the epistemology of the internet. Offers a wealth of pedagogical features to guide students through the text, including discussion plans at the beginning of each section, questions, chapter summaries, annotated guides to further reading, and a glossary. Classic passages from the history of philosophy are used throughout, and each part ends with a one-page historical summary. Includes an on-line teacher's guide with teaching suggestions, tests, and essay topics at: www.blackwellpublishing.com/pip
