Promoting Active Learning: Strategies for the College Classroom Chet Meyers, Thomas B. Jones

Gives an abundance of practical advice on how active learning techniques can be used by teachers across the disciplines. Using real-life examples, the authors discuss how various small-group exercises, simulations, and case studies can be blended with the technological and human resources available outside the classroom. The book is engagingly written for all classroom teachers. --Stephen Brookfield, distinguished professor of education, University of St. Thomas, St. Paul, Minnesota
