**Left at the altar? No need to worry, this Scottish Dragon Shifter will give you the honeymoon of your dreams!**

Suzy: The wedding may be cancelled, but that that doesn't mean all of it has to go to waste. I don't need a husband to go on my honeymoon! This adventure will be better if I can enjoy it on my own anyway. Now that Finn, this mysterious Scottish waiter, is with me I won't even be alone... Though it would be nice if I could be alone in my head without him knowing exactly what I'm thinking.

Finn: Everything has gone according to plan, more or less. Suzy Hathaway, the jilted American girl, is now with me. She is even more beautiful than I had seen in my visions. I cannae wait to take her on my back and fly away. I am going to make love to her the way no man or beast ever has... And it just so happens that I am both man and beast.

**Oh... and be forewarned, this book is intended for mature (18+) audiences, who can handle what is under a kilt!**
