Whenever she needs a little vacation, she can shift into a tiger and go running in the woods. Life is good.

That is until recently. Agents are turning up dead and she can't pin down what is going on. Little does she know that her past is about to come back and bite her in the tail. With no memories before the last year she is a little behind the curve in finding out what is going on. The investigation turns dangerous as the attack turn personal. Lives are on the line, including her own. Will Natalya find out what is going on before it's too late?
