The 'I Greatly Dislike Hillary Clinton' Cookbook Jenine Zimmers

If you think Hillary Clinton is America's most annoying politician, this cookbook is for you!

From risking national security by using her personal email account to her false claims about facing sniper fire, Hillary has created more lies and blunders than even her husband Bill. But they've all been put to good use – they inspired the delicious recipes in this cookbook!

Chuckle at Hillary's worst sound bites over the years (“We're going to take things away from you on behalf of the common good!”) as you enjoy dishes like Liar, Liar, Mouth on Fire Spicy Chili, Meatless Meatballs, and Garbage Bread.

A recipe for Rainbow Salsa represents the fact that Hillary is well-known for – ahem – *colorful* language.

Not a good cook? No problem! Try Watermelon Sorbet (requires no cooking) or Salami Chips (only uses two ingredients)! This is a fun cookbook that has something for everyone ... as long as Hillary Clinton is the politician you love to hate.

And finally, in (dis)honor of Hillary, you'll love the recipe for Jerk Chicken. Enough said.
