**The King Arthur Trilogy Book Two: Warrior of the West** M. K. Hume

**Could all that King Arthur fought for be lost? From the author of *The Merlin Prophecy*, a trilogy that *Kirkus Reviews* proclaimed, will “appeal to those who thrill to *Game of Thrones*,” the second installment in the action-packed historical trilogy is the epic tale of Arthur’s efforts to save the heart of his kingdom.**

***Warrior of the West* – King Arthur’s Journey Continues.**

Twelve years have passed since Arthur was crowned High King. Against all odds, he has united Celtic Britain and banished the Saxons. Although he’s succeeded in defeating all external threats and his kingdom is at its zenith, it is now being undermined from within.

Arthur has chosen evil Wenhaver as his queen and second wife. Wenhaver will always love what she cannot have and have what she cannot love, and her bitterness threatens to bring down all those around her.

Arthur is betrayed by his wife and also learns of appalling perversion at the heart of his kingdom. With his guide and master tactician, Myrddion, gone, Arthur must decide how to proceed if he wishes to see Britain stand strong. The fate of a kingdom rests on his shoulders and his selflessness is put to the test.

Could all that Arthur has bought for be lost forever?
