As a Guardian climbing the ranks in the Black Mesa Wolf Pack, Sara Kenyon's life is ideal. A sexy firecracker, she's never regretted her carefree love-'em-and-leave-'em attitude. But when her one-time fling, smokin' hot Rafe Bardou, wants the only thing she can't give him--commitment--she starts to question if freedom is everything she desires.

Rafe's patience is legendary. Yet for all his strength and control, Rafe craves something he can't have: free-spirited Sara as his mate. Her red-hot kisses have eluded him for over a year, but he can't stop thinking about how they once tangled the sheets together. Now he's out of time. Her commitment to him is essential--not only for his own happiness, but for the future of the Pack.

Losing control isn't an option. But it may be the only way to convince this sweet vixen he's her alpha wolf.
