From the author of *Hidden Heat* (“Filled with action, deception, and emotional and sexual tension.”—*Publishers Weekly*), the Brothers of Mayhem MC rides again in an explosive novel of wounded hearts and undeniable heat.

Forget shining armor. Motorcycle shop owner Mary Jane Parker could use a knight in black leather right about now. A local gang has been extorting her for protection money, and standing her ground would be a lot easier with the Brothers of Mayhem at her back. She just needs to convince the club’s new president to take the job. The powerful, brooding biker claims he’s not interested—but if his version of tough love is supposed to be punishment, Mary Jane would gladly misbehave for the rest of her life.

Storm Ryder has no interest in rescuing anyone but himself. He spent three agonizing years in prison, and there’s no way in hell he’s going back, not over a spoiled rich girl who’s flirting with trouble. So why does he find himself craving Mary Jane’s lips—and holding her close when he should be pushing her away? Deep down in his tortured soul, Storm knows she’ll be there for him. And when Mary Jane needs him most, he’ll find the courage to give her everything he’s got.

Includes a special message from the editor, as well as an excerpt from another Loveswept title.
