## Hmong/Miao in Asia

This volume presents the most comprehensive collection of research on Hmong culture and life in Asia yet to be published. It compliments the abundant material on the Hmong diaspora by focusing instead on the Hmong in their Asian homeland. The contributors are scholars from a number of different backgrounds with a deep knowledge of Hmong society and culture, including several Hmong. The first group of essays addresses the fabric of Hmong culture by considering issues of history, language, and identity among the Hmong/Miao from Laos to China. The second part introduces the challenges faced by the Hmong in contemporary Thailand, Laos, and Vietnam.
