You can read the story in the language that you are learning and verify your understanding by reading the opposite page in which the same text is written in your native language. No need to open the dictionary. "Goldilocks and the Emperor" is a tale based on a story told by the dervishes which was passed by word of mouth from generation to generation. The young girl's life which started so peacefully and happily has changed. How will she survive when facing one disaster after another? Read the story and you'll know how. "Lazy Princess," a short Armenian folktale has life lessons accumulated by generations. "The King and the Shoemaker" is a well-known fairy tale by famous Armenian writer O. Tumanian. The main hero of this beautiful story, though repeatedly challenged by a ruthless ruler, is always finding his way out of the difficult situations.
