When does love fall apart? Do you see it? Do you feel it? Can you save it?

When two worlds collide it sets off an unlikely chain of events, creating temptations and feelings that did not exist and changing the course of two random strangers.

A crumbling marriage to a successful husband,

A man fighting to keep his family together,

Two people looking to reconcile and bury their past lives.

Lives comes together that would never have been, where one secret will turn their worlds upside down.

What happens when the truth is finally exposed?

Will both sides end up hurt and alone?

When does love reappear? Do you see it? Do you feel it? Do you fight for it?

Love is beautiful.

Love is quiet.

Love is ugly.

Love is Louder.
