A terrorist group working under the auspices of Boko Haram raids a safari resort in Tanzania and kidnaps the tourists there along with every member of the resort's staff— except the manager, who they behead as a warning.

Naturally, Flame and his team are brought in to track down the raiders and rescue their captives. It seems an easy enough assignment— until they discover that there is more to this than a simple kidnapping for ransom and find themselves fighting two enemies: the killers from Boko Haram and a deadlier opponent— a specially developed form of Ebola, weaponized to spread through simple touch.

To win, they have to defeat nearly two hundred terrorists, a deadly set of twins, and a virus that has killed tens of thousands in Western Africa. But as always, Flame and his team are up for the challenge!
