Someone is murdering the people she loves. Throughout it all, the one thing Catharine "Cat" Taylor can depend on is the friendship of her lifelong companion Lizzie, a plantation slave. Then Lizzie is sold. Now Cat must decide - do nothing, or risk everything to save her friend and to bring a murderer to justice. Either way the decision may cost Cat her life.

Framed amid a historical Meteor shower in antebellum Alabama, "The Night the Stars Fell" is filled with vivid characters that will leave you looking at friendship in an entirely new way.
