As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country.
